WHAT WE DO

End-to-End Network Lifecycle Services

Equipment Sales

Current-gen & EOL/EOS routers, switches, firewalls & wireless — multi-OEM, delivered fast.

AMC & Support

Multi-OEM AMC with defined SLAs, remote & on-site support and spares replacement.

Chip-Level Repair

Comprehensive repair down to microchip level — faulty units back in service, not replaced.

Firmware & Upgrades

OS & firmware installation and upgrades for Cisco, Juniper, HPE/Aruba and more.

Equipment Rental

Short & long-term rental for PoCs, migrations, DR & events — pre-tested, with buyout options.

Video Conferencing

Poly / Polycom HDX, Group Series & Studio X — sales, AMC, break-fix support and rental.
